A New Pyramid Plan

Two prominent Newton businessmen have come up with a scheme for a fool-proof, sure fire pyramid method of operation that resulted in the following epistle:

"Dear Friend—This chain was started in the hope of bringing happiness to all tired businessmen and editors. Unlike most chains it doesn't require money. Simply send a copy of this letter to five male friends. Then bundle up your wife and send her to the fella whose name heads the list. When your name reaches the top of the list you will receive 15,186 wives and some of them should be dandies. Have faith, don't break this chain. One guy broke it and got his wife back!"

"Please be thinking about it," urged Mr. Hampton. "The bed or the facilities which your particu-

lar gift helps to buy for your hospital today may be needed by someone very dear to you—sud-denly, desperately, tomorrow. It

takes a lot of money to do this

job. It takes sizeable individual gifts. The new wing is good insurance for every person in Newton and Wellesley."

Mr. Hampton explained that in the Building Fund Campaign in 1945 and 1946 \$1,400,000 was secured for building purposes. "In that campaign," he said,

"some gave generously. Some, not wishing to pledge, made par-tial gifts and expressed a desire

to make additional gifts in suc

ceeding years. Many people were away—some were not called

"The need then, as now, was for additional beds, because there has been no expansion of patient facilities since 1929. Also then, as now, there was a waiting list

to get into the hospital.

"The original plans have been revised, consolidated and adjusted after consultation with doctors and architects. Though

building costs have mounted, it was decided to erect the seven-story shell and equip it as far as the money would go. This new campaign is to raise the funds to

complete the equipment and sup-ply the beds which are so vitally needed."

Gifts Division have already started. The Industries and Banks Division will be under way this week, while the municipal, stores and public campaign will

started later in the month.

Solicitations in the Special

The World's Nicest Place to Sit!

HAVE YOU EVER sat behind the wheel of a 1949 Cadillac-and looked out over the jewel-like dash into the highway beyond? If you have, we think you'll agree that it's just about the world's nicest

You're comfortable, of course—superlatively so. Deep cushions, under you and back of you, give a sense of exhilarating buoyancy.

The slender, obedient wheel in your hand is passport to a realm of driving ease you can reach in no other way.

The motor, idling so quietly you can hear the soft ticking of the electric clock, bespeaks the world's finest craftsmanship.

Vision, so wide and clear that you seem to be sitting under the open sky, is a call to the hills and . valleys of your favorite highway.

And the happy thoughts that go through your head: "Here is the world's finest. There is nothing to match it for safety, for goodness, for the respect it engenders among discriminating people everywhere. Wherever I go, if I'm sitting here, I'm enjoying all that a motor car can give me!"

Yes, it's an experience to sit at the wheel of a 1949 Cadillac. Come in-and see for yourself. We'd be most happy to have you-whether you expect to purchase a Cadillac or not.

Services Held For 112 Institution avenue, Newton Rev. John J. Whelan

Rev. John J. Whelan, assistant pastor of Corpus Christi Church, Auburndale, died suddenly Tues-

of the university's class in year. He was born in Lowell, Mass., the son of Charles B. and Rose (Turner) Whelan. He attended St. Patrick's Grammar School in Lowell and was grad-uated from the Lowell High School in 1925. Following his graduation from St. Charles College, Maryland in 1928 he enter-ed St. John's Seminary, Brighton and was ordained to the priesthood in 1935. He first served as a curate at St. Mary's Church in Cambridge for 12 years and came to Corpus Christi parish in 1947.

He was spiritual director of the Corpus Christi Holy Name So-city, advisor to the Legion of Mary and director of the child-ren's class in bible history.

On Wednesday the Office of the Dead was chanted by the lergy of the parish at 4 o'clock. Or Thursday morning at 9 'clock a requirem high mass was celebrated in Corpus Christi
Church. On Saturday morning at
10 o'clock a solemn high mass
will be celebrated in St. Rita's
Church, Lowell by Rev. Thomas
F. Murphy, pastor of Corpus
Christi Church. Rev. Joseph
Burke will serve as deacon and
Rev. George Scully, a former
curate of Corpus Christi Church,
will serve as sub-deacon. Rev. Leroy V. Cooney, D.D., of St. John's
Seminary will deliver the eulogy.
Burial will be in St. Patrick's in Corpus Christi Burial will be in St. Patrick's Cemetery, Lowell.

Fr. Whelan is survived by his mother, and three sisters, Mrs. F. Albert Vanasse and Mrs. Ralph McCarthy, both of Lowell and Mrs. Richard Gough of Burling ton, Washington

Fifteen Bobcats Go Into Cub Pack 30

sium, the parents saw the cubs enter in the grand march, give the pledge of allegiance led by Cub, Pierce J. Hale, and then unfolded an Indian ceremonial before a flickering camp fire. District Commissioner, Jerome Barraford in tribal feathers and blanket answered the tom tom from the back of the hall and invited the 15 bobcats to advance to the back of the hall and invited the 15 bobcats to advance to the campfire. George Kunnerth, Cubmaster of Pack 30 as Great Chief Akela said, "These bobcats have passed the first five steps of the cubbing step ladder and an important event in their lives as it leads to many good times with other boys of their own age. They will learn many things together—games, handicrafts and hobbies under the direction of their den mothers who recommend their induction." The boys were spondauction." The boys were spondauction." duction." The boys were spon-sored by Den Chief Robert Mc-

Discuss Plans For Intermediate League

Donald and Paul MacDonald.

for the league championship. The very successful leagues conducted by the City's kecreation Department for boys over sixteen, continue their playing schedules through the months of May, June, July and August June, July and August.

ment has signified willingness to operate the League if enough teams are found to compose it. Teams already indicating interest reams already indicating interest in the new league are the Newtonville Lions' newly organized Intermediate Team and the Youth Division Group of the Newton Y.M.C.A.

Teams of high school age with adequate organization to maintain schedules are invited to communicate with Mr. Richard B. Simmons, the Newton Y.M.C.A.'s Physical Director, or with Mr. Frederic B. Eastman of 20 Park Place, Newtonville. A meeting of the various team representatives will be called as soon as possible.

Tours-

Newton B.C. Club in City League

The Boston College Club of pastor of Corpus Christi Church, Auburndale, died suddenly Tuesday morning at the rectory, 45 Ash street, Auburndale.

Fr. Whelan was in his 43rd street, Auburndale, and the was a street, Auburndale, and the was a

culosis and Health Association, and the Newton Community Chorus. He is chairman of the Prudential Committee of the First Baptist Church in Newton Centre.

Since moving to Newton from Providence, where Mr. Pilsbury was born, educated and spent the Plans are under discussion for a new Intermediate Baseball League, limited to teams of high-school age in Newton. The proposed schedule would open in early May and close in late June or early July.

A trophy cup has been offered for the league championship. The rectors. He is making an outstanding contribution to the community both as Director of News community both as Director of Research for the City of New-ton and as president of the Ki-wanis Club. His services as chair-man of the 1950 Red Feather Campaign will be another out-standing contribution to his com-munity.

June, July and August.

The new league is planned to accomodate teams composed of boys who go away during July and August and can therefore only participate in the shorter schedule lasting through May and June.

The Newton Recreation Department has signified willingness to operate the League if enough teams are found to compose it.

The Newton Recreation Department has signified willingness to operate the League if enough teams are found to compose it.

The Newton Recreation Department of the Newton Community Chest and the Greater Boston Community Fund are co-operative enterprises through which nursing care, physical, mental and moral rehabilitation, comfort for the suffering, op-

"With the co-operation of the residents of our community, I am confident that Newton will do its share in the campaign this Fall

as it always has in the past.
"I expect to call upon a number
of public minded citizens to assist me in this campaign for community service. Many of you, I am sure, agree with me that 'service to my community is my toh'"

As assistant chairmen for the coming campaign, Chairman Pilsbury has appointed William A. Jackson, Harold B. Cranshaw and Mrs. John C. Campbell. Mr. Newton, and Mrs. Earl Ham.

The Publicity Committee will include Mr. C. Russell Mason, Mr. Donald B. Conant, Mr. Warren W. Oliver, Mr. Richard Winslow, Mrs. Ward I. Cornell, Mrs. Sidney Williamson, Mrs. Clifford Parcher, and Mrs. Douglass B. Francis.

Tickets will be available to the campaign are Lawrence B. Da. or at stores in each village, the names of which will be announced later.

Campaign chairman, and Riley Hampton, 1949 Campaign chairman.

NOW FAST ONE-DAY CLEANSING AND LAUNDRY SERVICE BY LEWANDOS AT NEW WATERTOWN SQ. PLANT-SHOP

Cuts Days and Hours Off Regular Schedule

Rapid laundry and cleansing service the Lewandos way for those willing to bring their clothing and flat work to this new shop at the Watertown plant and call for it on a cash and carry basis . . . for those who can't or don't want to wait for routine service . . . for those with a limited supply of clothing or linens.

Bring shirts, towels, bed and table linen, or all your laundry . . in the morning. It is processed together, by itself, in a matter of a few hours by completely new methods. Later that same day you pick it up washed, ironed, and ready to use or wear. Any day and every day can be your wash day.

The same quick service applies to cleansing. "Bring it Today— Wear it Tonight."

First Shop of its Kind in New England

The new fast-service shop is actually a cleansing and laundry plant within a plant . . . a self-contained unit. You will be amazed at the attractive, sanitary surroundings; new machinery, new methods, new materials. Washing, cleansing, and ironing . . . all such operations are visible through two enormous plate glass windows. Special attendants operate modern blue machinery in a spic and span setting under rows and rows of soft fluorescent lighting. You have never seen anything like it.

Cites Reasons Why **Agencies Need Increased Revenue**

Robert P. Lane, Director of the recently released Survey of Health and Welfare services in Greater Boston was the speaker at the Newton Community Council Dinner at the Normandie Room last Thursday evening. He stated the reasons for the survey was that the deficit between the amount of money needed each year to carry on these services and the amount actually raised has been increasing each year, so a group of citizens decided to have a "look-see" for what the money was doing.

Restaurants Not To Sell Liquor Between 12 and 3 Good Friday

Lewandos Opens New Cleansing and Services-Laundry Plant-Shop At Watertown

OPENING OF NEW LEWANDOS SHOP—(Top) Ribbon at entrance of "Bring it Today—Wear it Tonight" shop at Lewandos plant in Watertown Sq. is cut by C. Lavrence Muench, president of Hood Rubber Co. and the Boston Chamber of Commerce, while John H. Harwood, Jr., Lewandos president, looks on. (Botton) Exterior of new rapid-service shop at Lewandos plant in Watertown Sq.

This week, in celebration of the Ministers of America (CIO); Howard to Whitmore, Jr., representative of Merica (CIO); Howard to Whitmore, Jr., representative of the General Court of Massachusetts; Jarvis of Hunt, legislative counsel to Associated Industries of Mass. and former president of the Senate; Frederick Whiting, member of the Brotherhood of Railway Car Men of America, Lodge 102.

According to the club president, According to the club president, Christian, A. Herter, Jr., a series of such discussions will be held at later dates in order to keep people informed on highly important questions that effect the lives of all of us. At a time when Americanism is challenged to by Socialism only an alert voting goods to a distant plant, on time is lost in transporting goods to a distant plant, on time is lost in transporting goods to a distant plant, on the lives of all of us. At a time when Americanism is challenged to by Socialism only an alert voting populace can preserve our American Democracy.

This week, in celebration of the beginning of its business, Lew and oso of Watertown opened a new and entirely different laundry and eleansing services, strongh much more efficient, and are never mixed with other people's bundles.

For years, the management of New England's oldest and largest cleanser has been searching for a means of drastically reducing the time involved in services, and ready for customers in about an hour from the time of starting. Speed of service is surrely openation; no time is lost in transporting goods to a distant plant, on time is lost in transporting goods to a distant plant, on time is lost in transporting goods to a distant plant, on time is lost in transporting goods to a distant plant, on time is lost in transporting goods to a distant plant, on time is lost in transporting goods to a distant plant, on time is lost in transporting goods to a distant plant, on time is lost in transporting for a means of drastically reducing the time involved in servicing garments and linens.

Lium read t

week, in celebration of small machines like home wash-

in Syracuse, N. Y. who has done extensive research in the field of laundry and cleansing machinery, methods, and materials, a revolutionary plant has been developed and installed within the Lewandos factory in Watertown Square. He says, "It is a store and plant combined, entirely separate from all other departments of the company's large factory premises. The entire operation can be viewed from beginning to end by customers and the public, both inside and outside the store." The choir will be assisted by Miss Madeline O'Brien, soprano, and Mr. Luigi Vena, tenor. Ray-mond Sikes, organist and di-

Such fast service now means that any day in the week can be wash day or dry-cleaning day. Things can be brought in any time and picked up the same day or the next day, ready to wear or use. People who are not able to plan ahead. who are not able to plan ahead, who forget to get their laundry ready on the proper day, whose laundress does not arrive on schedule, or who have a sudden party invitation or trip for which they are not presented. den party invitation or trip for which they are not prepared, now can have their requirements satisfied by this fast-service shop. In addition, this means that people can get along with fewer clothes and linens; by using this service once, twice, or even three times a week; things can be worn or used which would otherwise be tied up at the cleaner's or at the laundry.

The new methods, new machinery and new materials have cut days and hours of the old, slower schedule. For instance:

A man brought in a suit to be cleansed and pressed—wantial to take a look at the new plant—and before he less than the new local manufacture. The less than the less be cleansed and pressed—want of the detailed o

ed to take a look at the new plant—and before he left 45 minutes later his suit was perfectly cleaned, pressed and ready for him to wear.

A lady who used to have her family washing done in a self, help store was invited in to see the new faster laundry plant her laundry, including shirts, sheets, and table linen, was quickly washed, ironed and waiting for her whe she was ready to go home.

Thus the management of Lewandos has been able to demondant of the later of the

Thus the management of Lewandos has been able to demonstrate that faster service can be
given time after time. That is
the reason that the theme:
"Bring it Today—Wear it Tonight" has been adopted for
both laundry and cleansing.

The new shop has been built
on the side of the factory facing Watertown Square, where
ample parking space is available.
The store front consists of an
attractive modern plate glassentrance and two large display
windows. In one window is located a drycleaning machine of
the latest type, using non-inflammable solvent, and in the other
is a battery of specialized machines for ironing men's shirts.
There are many other special
mechanical aids, which together
form a small-sized, self-contained
laundry and drycleaning plant.
All of the machinery is painted
a dark blue; the walls are colored a light blue and peach combination; and soft, fluorescent

Mr. lennings is now associated with radio station W.C.O.P. as a radio engineer. early summer wedding is planned.

Extensive Research **Needed To Prevent Heart Disease**

The need for extensive re-search in the prevenion of heart disease was stressed by Dr. Paul
D. White, Boston cardiologist
and executive director of the
National Advisory Heart Council, in a talk Monday afternoon
at the Newtonville Library.

Lecturing for the course in "Public Heath Aspects of Heart Disease," which is being sponsored by the Newton Health Department, Dr. White stated that partment, Dr. White stated that top priority must be given to discovering the causes of the various forms of heart disease. He said that, although it is important to improve methods and facilities for treatment, the greatest long-term results will come from study and applications of preventive precedures.

tion of preventive procedures.

It is this philosophy, the speaker indicated, which led the National Advisory Heart Coun

National Advisory Heart Council to ask Congress for large research appropriations. Dr. White recently appeared before a Senate committee to support this recommendation.

The provisions of the National Heart Act of 1948 were explained by Dr. White. This act authorizes the establishment of the National Heart Institute and the National Advisory Heart the Natoinal Advisory Heart Council. Proposed activities in council. Proposed activities in-clude research projects, research fellowships, construction grants, teaching grants, traineeships, state control aids, and dissenin-ation of information.

Dr. Lewis C. Robbins, senior surgeon of the U. S. Public Health Service, also spoke to the group of health and welfare workers, describing the objectives of the Newton Heart Debries. onstration Program. Dr. Robbins is serving as medical officer in charge of the program, which is a joint project of the Newton Health Department, the Massachusetts Department of Public storage place, besides offer-

discussion on "A Community Heart Program."

Kiwanis Club

Dr. Stuart Hamilton, director of the Newton-Wellesley Hospital told the Newton Kiwanis Club, at the noon meeting, Wednesday, that hospitals are becoming inthat hospitals are becoming in-creasingly important as a key-stone of health in the communi-ties they serve. Fifty years ago, according to the speaker, with no private rooms or the modern fa-cilities of today, they were con-sidered as little more than an in-stitution providing medical care for the poor.

for the poor.

The teriffic strides in medical science, however, and the efficiently staffed and equipped hospitals of the present era, Dr. Hamilton continued, has resulted in a constantly increasing de-mand for highly specialized care and treatment ever available in all hospitals. Describing the prompt efficiency of a community's hospital and it's various departments in emergency, the speaker recalled the recent explo-sion, shortly after midnight, in a neighboring city. At that time, 26 badly burned victims were rushed to the Newton-Wellesley Hospital. Within the hour, there were more doctors in attendance than there were patients. Nurses off duty promptly returned to assist in the task easing their suffering, and the city's police and firemen roared over the highways to Blood Banks, in nearby municipalities, for the life sus-taining fluid. An outstanding example of the "hospital and the community" working in complete and efficient harmony. Additional space is now need-

ed to care for the ailing, inasmuch as the Newton-Wellesley Hospital is now available to 103,000 residents of Newton and WWellesley, Dr. Hamilton con-

se,550 or less.

The catch is that there must be two kinds of economy, one good and one not-so-good. If there is economy of cost, there is economy of space as must be eco well. Today's under \$6,500 house is smaller than its pre-war counterpart. It must be built simply and compactly.

What makes the low-cost house What makes the low-cost house is smaller than its pre-war counterpart. It must be built simply and compactly.

Basements Not Included to promote the project have been than a living room, two bedrooms, kitchen and bathroom. None of the sight houses has a basement. What makes the low-cost house low cost? That question was asked of Howard Leland Smith, technical director of the government's Economy Housing Prowrong impression of the under-

space. There must be economical utilization of materials. Labor costs can be reduced and materials can be conserved by planning room dimensions which permit the use of standard length structural members."

The Newton Village Girl Scout Committee, met at the home of Mrs. Wm. R. Herman, 655 Centre Street Wednesday morning, April Separated parts of the country shows that construction details are closely similar. This leads to the conclusion that any FHA-approved economy house will be generally the same as any other.

Average cost of the eight houses was \$5,164. Prices ranged held May Nigntget.

AN OPEN LETTER City Comtroller Newton City Hall Newton Centre 59, Mass.

Newton Centre 59, Mass.
Dear Sir:
Five months ago, on November 13, 1948, to be exact, I mailed you a letter requesting a list of insurance and bond premiums paid for by the City Government of Newton. This list was to include the names and addresses of the parties to whom the money was paid by the City. At the same time, I mailed a copy of this letter to the City Treasurer and another to the Newton Board of Aldermen. To date, I have not heard from anyone at City Hall regarding this. You have not even been courteous enough to acknowledge the receipt of my reasonable request.
From where I stand, it appears that the customary everyday services the citizens of our City should receive from their official representatives have been stifled and shrouded by some negative influence of se-Dear Sir:

GLEAMING GLAZED, TRADITIONAL EASTER HAM comes to the holiday dinner table in a delightful new dress. The to the holicary diffier table in a delightful new dress. The ham is one of the ready to eat variety which may be scored and glazed, ready for the platter the day before and stored in the refrigerator. Ham bearing the "Ready-To-Eat, Fully-Cooked" notation both on the label and on the meet itself, it was complete assumption that no further scaling itself. is your complete assurance that no further cooking is required to bring it to the holiday table at its tempting best. Garnish the ham with hard cooked eggs which have been shelled and tinted in rainbow colors with vegetable food coloring. Nests of parsley or water cress add the final traditional touch to the festive platter.

For Breakfast or Dinner, It Will Make Holiday Delightful

By DOROTHY JAMES

Breakfast on Easter Sunday morning is always one of our favorite feasts of the year, and we hope to offer you a few recipes in this column that may help to make either your Easter breakfast or dinner the success we all want it to be.
Ham for Easter, of course, is as | shelled hard-cooked eggs may be

robust eaters among us will approved around the ham.

Ply ourselves heartily to it at Candied 1

ply ourselves heartily to it at both meals.

Whether it's a whole or half ham, it betokens a delightful holiday fare as well as appetite, tempting meals and snacks to follow.

around the ham.

Candied Ham Balls
2 cups ground cooked ham
1 cup bread crumbs
1 egg
1-4 cup milk
1 tablespoon fat
SALICE

Perhaps today you'd welcome a few suggestions for baking that ham. Some of our neighbors are happy to share their secrets on producing that tender, flavorful Easter ham. First, bake the ham in a mod-

First, bake the ham in a moderately slow oven (350 degrees F.). Place the ham in the roasting pan fat side up. Do not cover the pan and add no liquid. A 12 to 14-pound ham will cook in about three and a half hours. Take the ham from the oven 45 minutes before it is cooked. Remove the outer rind, cut fat coating into diamond shapes stick a sauce. Pour over ham balls, Bake we would cover and enclose as soon as possible to afford year 'round use.

In addition to these and other sports, the facilities will be made available for civic, cultural and educational events. Consideration will be given to promoting all worthwhile and high calibre events and activities which the people of Newton desire, the indexers and out.

move the outer rind, cut fat coating into diamond shapes, stick a whole clove in the centre of each diamond and sift brown sugar over the fat. Pour any one of the following juices over the ham 1 and bake for the remainder of the time, basting frequently, in the people of Newton desire, the ham a delightful flavor.

Easter Garnishes

Easter Garnishes
At Easter one naturally turns
to vegetable-shaped flowers and
styfized Easter eggs — those styfized Easter eggs — those symbols of spring. For garnishes,

raditional as the lily, the new spring hat and the tinted egg. Some of us prefer it at breakfast, others at dinner, and the more with mayonnaise, then placed robust eaters among us will an around the home.

3-4 cups brown sugar

3-4 cups brown sugar
1-4 cup water
1-2 teaspoon dry mustard
Combine ham, crumbs, beaten
egg combined with milk. Divide
mixture and shape into 8 balls.
Brown in melted fat in heavy
skillet. Heat ingredients for

in slow oven (325 degrees F.) about 45 mintues.

This is an excellent way to use that left over ham.

Mrs. W. of West Roxbury always has spinach in rather a novel way with her Easter ham.

Easter Dinner Cake 1 cup cake flour 1-2 cup sugar 1 1-3 cups egg-whites

1-4 teaspoon salt 1 1-4 teaspoon cream of tartar 1 cup sugar 1-2 teaspoon vanilla extract

1-2 teaspoon almond extract 4 well beaten egg-yolks 2 tablespoons cake flour 1 teaspoon lemon extract 1 teaspoon vanilla extract

Sift one cup flour with 1-2 cup of sugar 3 times. Beat egg-white crecy. And, while this is another request for the list previously asked for, I really do not expect an answer, for nothing ever seems to change for the better in our City Government. Therefore, it is apparent that I must take other means to get this information I intend to do so, using, of course, all the publicity obtainable for the furtherance of this purpose.

As on November 13, 1948, copies of this letter are being mailed to the City Treasurer and to the Board of Aldermen. In addition, for the sake of publicity, I am calling this an Open Letter and mailing copies to the Newspapers and to others.

Very truly yours,

Very truly yours,

Sift one cup flour with 12 cup of sugar 3 times. Beat egg-white until frothy; add salt and cream of tartar; beat until stiff but still wintle for sugar 3 dittle at a time. (Sprinkle over egg whites; fold in thoroughly). Sift one cup flour with 12 cup of sugar 3 times. Beat egg-white until frothy; add salt and cream of tartar; beat until stiff but still wintle for sugar 3 dittle at a time. (Sprinkle over egg whites; fold in thoroughly). Sift one cup flour with 12 cup of sugar 3 times. Beat egg-white until frothy; add salt and cream of tartar; beat until stiff but still with a time. (Sprinkle over egg whites; fold in thoroughly).

Sift one cup flour with 12 cup of start; beat until stiff but still with a divariate at time. (Sprinkle over egg whites; fold in thoroughly).

Sift one cup flour with 12 cup of start; beat until stiff but still with a divariate at time. (Sprinkle over egg whites; fold in thoroughly).

Sift one cup flour with 12 cup of start; beat until stiff but still with a down-up-over motion.

Divide batter into two parts. Into the one half, fold in egg yolks, 2 tablespoons cake flour, and lemon extract. Fold vanilla extract into the other half. Spoon batter alternately into ten inch ungreased angle-cake pan. Bake in a modernate and to the Board of Aldermen.

Device of the sum of the sum of tartar; beat until strife but still with a down-up-over motion.

Sift one cup

papers and to others.

Very truly yours,
WALTER A. HODGDON.

Hospital Campaign To Start April 24

ATTENDING a Merchants' Committee meeting held Monday afternoon at the Newton-Wellesley Hospital Building day afternoon at the Newton-Wellesley Hospital Building Fund Office were (seated, left to right), Murray G. Marble, chairman; Riley Hampton, Newton campaign chairman; John A. Janse, chairman of the retail stores division; (standing, left to right), Joseph P. O'Donoghue, Newtonville; Sambul H. Gesen Newton Lehr Bood. uel H. Gerson, Newton: John Reed, Newton Centre, and H. J. Pettengill, Campaign Director.

Newton Store owners and managers are cooperating to sponsor, beginning April 25, "Hospital Week" to coincide with the launching of Newton-Wellesley Hospital's \$960,000 Building Fund Club.

campaign.

The Merchants Committee, headed by Murray G. Marble of Newton, is working with the store proprietors with the objective of getting all stores to display hospital material and special display during the week.

Sunday, April 24, will be Hospital Sunday when special attention will be paid to Newton-Wellesley Hospital by ministers and laymen in the Newton churches. This will be the start of Hospital Week, When in addition to the cooperative publicity effort on the part of the merchants, general solicitation for funds will start.

During Hospital Week, Mr. Marble stated, many stores will stated and solicitation for funds will start.

Hampton, campaign chairman, and Matt Jones, Jr., public cam-paign chairman and a member of the Speakers Bureau from Newton High School spoke at each meeting telling the hospital story.

Oak Hill Dist. Improvement Assoc.

—0—
The annual meeting of the Oak Hill District Improvement Association, Inc., will take place at the Weeks Junior High School Wednesday, April 27, starting at 8.

This meeting will be held jointly with the newly-formed Oak Hill Park Association, thus giv-ing a fine opportunity to meet and welcome new neighbors.

In keeping with the occasion, Clyde S. Casady, Ward Alderman from Ward 5, will speak on a subject which might well be entitled, "Knowing Newton." This is no run-of-the-mill speech, but a most unusual presentation of most unusual presentation of questions and answers relating to the city, which will be of inter-

During the business meeting, officers for the year 1949-1950 and directors will be elected.

Dessert Card Party Highly Successful

Newton Junior Community Club featured a fashion show sponsored by Greenfield's, Inc., Newton Centre, Wednesday night at the annual Dessert Card party held at the Hunnewell Club

Highlight of the evening was the drawing for four bone china tea cups which were won by Mrs. Raymond Garon. Door prizes included a beautiful mixed bouquet by Flowers by Martie, a Hubbard Drug Cosmetic Kit, set of knitting needles, lamp shades, sterling silver cake server, theatre tickets, fruit basket, and a sub-scription to the Newton Graphic.

kets, fruit basket, and a sub-scription to the Newton Graphic. Winners were Mrs. Charlotte Mansfield, Mr. George Johnson, Dorothy MacCormick, Mrs. E. Gilles, Mrs. Greta Grapes, Jean Thompson, Mrs. Scott Brent, Edna Achuff, Mrs. E. J. La Rue. Proceeds of the Dessert Card party will go toward the Car-diac Fund. The committee in charge in-cluded Alice Jorgensen, chair

cluded Alice Jorgensen, chair man, Jane MacMahon, Dorothy Myshrall, Patricia Patenaude and Dee Paladina.

Virginia Cousens To Play Dual Role

To Play Dual Role

Virginia Cousens of 105 Adams avenue, West Newton will portray the dual leading role of "Musette" and "Irma" in the Victor Herbert musical comedy "The Fortune Teller" for the Hovey Players of Waltham April 26 and 27 at the Hovey Memorial Institute. Miss Cousens who has been a member of the Waltham Little Theatre group for three years, played a leading role "Nellie Wagner" in last seasons "Prince of Pilser" for the Players and has been a soloist in several workshop productions including the scholarship minstrel show which was presented to the Newton Eliks last month.

Among Miss Cousen's numerous appearances is a recital at Bennington, New Hampshire for which she was sponsored by Doris Doe of the Metronolitan

show which was presented to the Newton Elks last month. Among Miss Cousen's numerous appearances is a recital at Bennington, New Hampshire for which she was sponsored by Doris Doe of the Metropolitan Opera. A former student at Newton High School where she was atcive in the Glee Club and their operettas she is being supported by half of the Players' 100 membership in the cast and the Waltham Musical Club Orchestra as Laccompaniment. The presentabership in the cast and the Wal-tham Musical Club Orchestra as accompaniment. The presenta-tion is under the direction of Mallard Kilgore with Mrs. Hans W. Nitzsche of 56 Northgate Rd., West Newton heading the pro-duction staff. The Players are preparing much of the scenery lighting, make up and costum-ing at their workshop.

Newton Residents On Radio Forum

Two prominent Newton residents, Russell E. Maintain, own er. Maintain Store Engineering Service, and Prof. Winthrop E. Nightingale, Director of Placement, Northeastern University, were heard over Station WNAC and the Yankee Network, Sunday in a roundtable discussion sponsored by the Smaller Business Association of New England, Inc. Mr. Maintain, who is a vice president of the Associa-

tion served as moderator.

The subject of the program was, "Opportunities in Small Business for College Graduates".

Johnson, president of Temple University, and chair-man of the committee. assistants.

assistants.

A parade from the Waban railroad station at 1:30 will precede three main-event shows in the Angier School auditorium. Meanwhile in the school grounds which will be converted into a Midway, will be concessions for food, side-shows, and exhibits of Cub acitvities. There will be Zulu Cannibals, Prehistoric Monsters, and Amazonian Python. sters, and Amazonian Python

sters, and Amazonian Python, Bathing Beauties, Atomic Pop, and a Moon Man.

To give plenty of musical spirit the famous Highland Cub Brass Band will whoop it up both inside and out. All are agreed that this show will be a real demonstration of the enthusiasm and ability to be found in the Cup program. —0—
When one steps into the Clairhorne Galleries at 243 Washington street, to see the exhibition
of water color paintings by Ruth in the Cup program ed at once to romantic colorful Old Mexico. Here is all the ro-mance, the rythm, the very pulse of Latin America, caught by a quick brush, and preserved in

To Take Part In Play April 28-29

Although her pictures show some derivations of techniques, Late Christopher Bean," now in some derivations of techniques, she is nevertheless evolving a style of her own. One may see traces of John Marin, or Raoul Dufy in some of her pictures, particularly the spider-like tracery of India ink which the later uses, and her one oil, a portrait of her son, shows a trend towards Picasso, but as a whole, her style and technique are her own-broad, sweeping, colorful and effortless.

There is a charming study of the Emrison Dean," now in preparation for presentation April 28 and 29 at the Emerson School, the cast will include Leonard Panella and Joyce Braceland. Miss Braceland will take the part of Susan Haggett and Mr. Panella the role of Warren Creamer. Joyce Braceland is a graduate of Newton High School, 1944, She has gained theatrical experience beginning with high school productions, thereafter gave of her

effortless.

There is a charming study of Acapulco, brilliant with bluegreens and scintillating colors under a clear sky. Here the artist has proceeded with no hesitancy and the impression of sureness of plan and faultless technique is readily apparent.

But it is perhaps in her rendering of Mexican architecture that Mrs. Lascoutz reaches her highest point. She has transformed presently employed at the New-ton National Bank. Leonard Panella will play the

est point. She has transformed the cold grey stone and stucco of her cathedrals into shimmer-ing designs of color, compositions part of an artist in the play. He is a native of Newton Upper Falls, having graduated from Newton High School in 1939, and ing designs of color, compositions of brilliant purples, reds and carmines, which convey not only the representational features of the subject, but the very mood of the subject, but the very mood of the architecture she portrays.

Newton High School in 1939, and after graduation served in the armed forces as a naval pilot, where his meritorious service won him several honor medals. subject, but the very mood of the architecture she portrays.

The exhibition will continue throughout this week. It is by far one of the most exciting shows that the Clairhorne Galleries have presented, and is well worth a visit. As usual, the exhibition is open to the public free of charge.

The play is under the direction of Paul Anderson, Mrs. Hamilton M. Gifford, and Mrs. John R. Balow. Mr. and Mrs. P. T. Livingstone have designed and constructed the stage settings. Sunday afternoon, April 24, the children will repeat Rumpelstiltzkin for the ladies of the Deaconess Home in Concord.

Good timing is a talent your party line click of the receiver when a telephone is replaced softly. You'll win approval, too, by not interneighbors appreciate. Young Bill, above, knows he's right "on the beam" when he allows time between his calls. Party line neighbors applaud rupting a conversation with the sound of dialing. Check first before you call! those who share the line willingly

Close harmony can be enjoyed easily on party lines. Actually, only a few thoughtful courtesies . . . such as answering calls promptly or giving up the line for emergencies . . . will keep your party line "in tune" for everybody, A NOTE to all party line users'

As a general thing, party line service is good enough to meet the requirements of most party line users.

Right now, however, many people who ould normally have individual service are on party lines - because this is the only way in which we could supply telephones to the thousands who have asked for new service in the past three years. We are bending every effort to speed the day when we can provide individual service—or lines with fewer parties on them—to fill all present orders.

In the meantime, won't you remember that In the meantime, won't you remember that party line service is largely what you make it. We'll do our best to handle your calls smoothly and efficiently. But, in the long run, the quality of party line service depends a great deal on how it's used.

It has been recognized

throughout the civilized world, and particularly in this country in recent years, that health is no longer a luxury. In fact, health has joined food, clothing and shelter to become a fourth neces-

sity of life.

In the arch of health, the hospital stands as one of two keystones. The other is public health. The duty of the public health service, by and large, is prevention of disease, whereas the duties of the hospital center more around what we call definitive care. This means doing something definite for the public. thing definite for the patient. As an example of the definitive care rendered, we should consider, for instance, that a total of some 2500 or more accidents are taken care of in the hospital's Accident. Word each year. This Accident Ward each year. This means, with a population of 100,000, that at least once in 40

Unmarried women teachers will be pleased to learn that they will be pleased to learn that they may remair. In their teaching positions when they marry. Bill H.

301 to permit women teachers to continue in their positions after marriage was heard Wednesday afternoon in the Senate. It was passed to be engrossed and under Suspension of Rules it was immediately sent to the House for enactment. The vote was 18 to 11.

Senator Melley of Chelsea pleaded that it was a moral issue and insisted that there was no need for women teachers to continue on the job after marriage, and that it was a shame that single women teachers could not obtain positions. Senator Leslie Cutler pleaded for passage of the bill. She said that the bill is supported by Mass, Federation of Teachers, there is a great shortage of teachers. When a teacher marries she should not be dismissed. It is unfair. Any young woman has the right to happiness and part of Plan E was defeated in the House by vote 114 to 100. At a legislative hearing on H. 856 before the Committee on Edusecond.
Congressman Donald Nichol-

chologist at Univ. of Calif., Los Angeles, that there are too many women teachers. They are ruining our educational system. He aroused bitter feeling in the crowded auditorium and was hissed and booed and ridiculed by women teachers. Many spoke for the bill as they did against it. This bill does not apply to men teachers in the City of Newton. Equal pay for men and women teachers was defeated by referendum in 1947.

Road

Dear Editor:: A good deal of discussion has arisen regarding the proposed Embankment Road, which has been before the Legislature. The bill proposes an express highway along the Boston side of the Charles River Basin, running from Soldiers Field Road in the rear of the Boston University campus down the Esplanade to the Charles Street Station, M. T. A., and continuing along as far as the Nashua Street traffic cir-cle near North Station. It is to be a four-lane highway and traf-fic cannot enter or leave be-tween Charlesgate and the M. T. A. Station, estimated cost eight million dollars. Pedestrian overpasses will be built to allow peo-ple to cross over to the Esplan-ade.

ade.

I am opposed to this costly road, which would interfere with the enjoyment of the Storrow Embankment. Boston needs a good traffic artery to the west, but it should take traffic to and from the business district. Over 43,000 cars a day pour into Boston from the west, chiefly by way of Commonwealth Avenue, Soldiers Field Road and Beacon Street. Thirty thousand of these cars, about three-fourths, go to destinations in the area of Park Square or South Station. I propose an expressway built over the B. & A. tracks from Cottage Farm in, to run as far as Boylston Street, near Massachusetts ton Street, near Massachusetts
Avenue for the present and to be
extended later. This would take
traffic from Soldiers Field road,
Commonwealth Avenue and Bea-Commonwealth Avenue and Beacon Street, and permit it to go
non-stop to Copley Square. Massachusetts Avenue and Charlesgate West would be overpassed.
This would remove the tremendous congestion in Kenmore
Square and around the Boston
University campus. It would accommodate the crowds at Braves
Field and Fenway Park. It has
been done successfully in Park
Ave. New York, and elsewhere.
It would not destroy a single Ave. New York, and elsewhere, It would not destroy a single blade of grass nor bring additional vehicles into a residential area. Boylston St. could be widened for six lanes of traffic without taking any buildings.

Eight million dollars would go toward a real improvement for the commuters from the west if used this way.
RICHARD H. LEE,
Senate

the product, but only to demonstrate a need for it in order to receive it."

As an example of this, your hospital gave over \$115,000 in charitable allowances last year. That's a lot of money. It was more money than we received from the Community Chest and from our endowment. Part of the answer to the question: Why is it so much? is that Newton so far has taken care of its own as far as medical care is concerned. Many other towns, and most of the towns surrounding us, do not have clinics, and may do not have hospitals which take care of charity patients, or of patients who are not able to pay the full cost of their hospital care. These patients in the other towns are shunted into the large hospitals in the city. We take care of our payes horse a nother point in the

of oilar, which has increased all of our expenses two-fold in the last 10 years.

When business is not too good, when we are not showing a handsome surplus, why should we expand? What reason is there for enlarging the hospital? Once again, hospitals are peculiar. We expand, not because we are making a profit and hope to make more, but rather because we know that a need exists for the facilities which we offfer, and we do so without too much regard as to whether we are going to end up the richer or the poorer in our annual financial operations as a result. If, by expanding or by changing, we have helped the health of our community, we end up the richer almost regardless of the cost.

There is a definite need for expansion because of the size of the communities served. When the present building opened in 1929 Navyon and Wellesley had

the communities served. When the present building opened in 1929 Newton and Wellesley had a combined population of 77,000. The combined population is now 103,000 although there has been no increase in the number of beds available.

The other reason why we should expand is that we must modernize some of our old buildings to the extent of removing

Chestnut Hill, and a member of several clubs.

He is married to the former Frances Hatch Paine who is a director of the Newton-Wellesley Hospital and of the Free Hospital for Women. They have three sons, Harry S. Jr., William II, and Kennedy B., afl graduates of Harvard, and a daughter, Sarah B. who is a student at Mt. Holyoke College.

tual needs of the community. Be-cause of this, a building was designed which, when completed, will cost more than the \$1,400. 000 which was collected in the first campaign. We have not, however, and do not intend to commit ourselves to spend more money than we have at hand.

How do we expect to finance this building?? We talked with the authorities in the State House about state financing through the Hill-Burton Act, using federal funds. It so happen-ed, because we had been forward-looking in taking care of our people in the past, that our hos-pital situation was enough bet-ter than that of most other communities that we were not in a position to receive this money. We were too far down on the list. It has been necessary, therefore, to finance the hospital by public subscription, going out to the recond of the recommunity to the people of the community to ask them for the funds with which to provide adequate facil-ities for medical care of the citizens. It seems to me that there are two great appeals in such a drive, or perhaps three.

The first is that it is a local modernize some of our old buildilngs to the extent of removing
patients from them and putting
them in modern, fire-resistant
buildings. At a recent hospital
fire in Illinois . . . but I need not
dwell further on the dangers of
such a catastrophe in a hospital.
How did we go about this expansion, or the plans for it?
Several years ago when the origagency. The second is that it is

munity, rich and poor alike, is cligible for admission. If a man can't pay a hospital bill, he re-ceives treatment without cost—

available.

Some people may reason that because the hospital has a beautiful setting, and an imposing facade, it is obviously a prosperous, money-making institution. That is decidedly not true. Newton-Wellesley Hospital frequently faces a deficit, due to rising expenses, the below-cost income from charity or semi-charity patients, and its obligations to deal with emergency cases, without with emergency cases, without ary assurance of payment. So, you see, this fine hospital— and it is one of the best volun-

tary community hospitals in the country—must depend upon the community for support. It is, literally, your hospital. Every resident of Newton and Wellesley at Newton High School on Thursday at 6:30 p.m.

Think for a moment about how you would feel if there were serious illness in your family, and no room available in a hospital.

not enough money for beds and equipment."

That could happen to you. Your Newton-Wellesley Hospital needs money to complete the new wing which will be equipped with 161 beds to take care or sick and injured in this fast-growing community.

A new seven-story wing is being built with the money available now. These funds are sufficient to erect the building and to furnish the lower floors. But the upper floors will remain an empty shell unless Newton and Wellesley to furnish the rooms, and to supply the necessary service equipment.

These hadly needed upper floors.

These hadly needed upper floors.

The result is that your Newton-Wellesley Hospital has an excellent reputation in this community. Its facilities, although limited, considering the population supply the necessary service equipment.

These hadly needed upper floors.

tion supply the necessary service couipment.

These badly-needed upper floors must not remain empty when patients are waiting for admission. Do you want to take the chance that you, or someone dear to you, will risk serious illness, possibly death, for lack of a hospital room—of course not!

"Am I my brother's keeper?"
Yes, neighbor, you are—when it comes to your share of responsibility for maintaining first class hospital facilities in your city. Newton-Wellesley Hospital has only a limited endowment. It is strictly a community enterprise, depending wholly upon income from patients supplemented by an allotment from the Community Chest, and by personal donations.

It is a non-profit, self-sustain.

It is a non-profit, self-sustain.

It is a non-profit, self-sustain.

can be admitted, who must be refused. All for lack of beds.
The walls and roof are on their way up, the space is waiting. The medical and surgical staffs are complete and efficient. The Nursing School is providing competent, well-trained nurses to whom service at Newton-Wellesley Hospital is looked upon not only as an opportunity, but as a symbol of recognition. Many of these nurses are recruited from Newton and Wellesley. They are our own girls.

Actually your heads.

this situation: several floors of empty space, with only the out-side walls and roof in place. No rooms, no equipment, no beds.

DO YOU KNOW THE ANSWERS TO THIS QUIZ

on the

NEWTON-WELLESLEY HOSPITAL?

Question: In this campaign for the Newton-Wellesley Hospital Building Fund, you will probably ask yourself: 'How much should I contribute? What should be my yardstick for giving?'' my yardstick for giving

Answer: This drive is not for maintenance. It is a "capital" campaign to provide permanent facilities,—beds and equipment There has been no expansion in the "patient facilities" since 1929. In the meantime Newton and Wellesley have increased in population by 35%. It will take a pretty sizeable gift from every household to provide the needed beds,—to eliminate the tragic waiting list problem that we now have. But this new wing, fully equipped, should suffice for the next afteen or twenty years.

Question: How much money is needed

Answer: It will take \$960,000 to "finish the job" now. This is about three times the amount raised in Newton and Wellesley each year for our combined Community Cnest drives.

Question: Must I contribute to assure myself and my family a bed?

Answer. No, of course not. This is your hospital, whether you contribute or not. The question is, would you perhaps feel a little better about it if you had done your share,—if you had helped to provide the bed or some of the equipment that may be needed suddenly, desperately, by you or some member of your family.

Question: What is my chance of needing a hospital bed?

Answer: The figures show that one of Answer: The figures show that one of every eight people in these two communities will be hospitalized some time this coming year. At present the hospital is literally "bursting at the seams." We have had beds in the corridors and service areas many times, but even so, in the peak periods through the Winter we have again and search had to turn away nations who and again had to turn away patients who

Question Will I need to make my gift in a single payment? Perhaps I could do more if I could budget my contribution.

Answer: We will be glad to have you budget your payments. Your gift may be divided into six equal payments four months apart. A reminder will be sent you as payment dates fall due.

Question: Didn't we have a campaign-back in 1945-46 for this same purpose? What happened to that money?

Answer: We did. We set a goal of \$2,-250,000,—the campaign netted \$1,400,-000. Some gave generously, not wishing to piedge, made gifts and requested the right to contribute additional sums later. As the to contribute additional sums later. As the campaign was late in the season, many were away at the time of the drive. At that time, we had to postpone building,—materials could not be secured, nor a firm contract let. In the meantime, when prices began to rise, the trustees and the medical staff voted to re-design the original plan, eniminate all unnecessary features in order to reduce costs, and to provide as quickly as possible the desperately needed beds. With the revised plans it was decided to build the entire wing, and launch an immediate "Let's Finish the Job" campaign to provide the equipment.

Question Will the new wing increase effi-ciency of service at Newton-Wellesley Hospitar?

Answer: Yes. When the new wing is built and all patients are housed in one modern, firesate building, much of the uneconomical time and energy spent in walking from one building to another will be eliminated, and converted to patient care. As it is now the laboratory technicians alone it is now, the laboratory technicians alone waste two hours a day in getting from one location to another. Services will be modernized and centralized in the new wing.

Question: Is the campaign being run by outside professionals?

Answer: No. It is conducted entirely by local citizens on a volunteer basis, thus insuring that the maximum amount of your gift will go to your Hospital.

Question: Is my gift deductible from an income tax standpoint?

Answer: Yes. Gifts of this type are fully deductible up to a total of 15% of your

Question: I assume that my gift will be acceptable in any amount. The need is great, and I can see that I should make it as large as I am able. Could I perhaps have my gift purchase some specific needed equipment?

Answer: Yes. Many have stated they would like to have their contributions, in so far as possible, purchase a specific unit in the new wing.

MAN

Memo

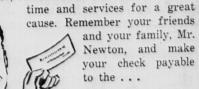

To Mr. and Mrs. Newton-

Do you realize that 1 out of every 8 persons in Newton will spend some time in the hospital during this coming year?

But don't worry Mrs. Newton, your hospital is ready to do everything that is humanly possible to help. And you can help, too! Due to increased population, your hospital must expand. It needs more space and new

equipment . . . To help pay for this new equipment, your hospital is asking you to contribute whatever you can to prowhatever you can to protect the health of your city, to protect the health of your family.

So when your neighborhood solicitor knocks at your door, remember he has volunteered his

Central Club Play Planned Next Week

unsurpassed quality of Central Club productions in the field of amateur theatricals has (Barry) Kneeland, of 70 Bowen won many friends for this well known men's organization of Central Congregational Church.

played in the coming annual Cen-tral Club Spring Show "I Like It Here" which is being held at Woodward Hall, Central Congregational Church on April 28, 29 and 30.

In anticipation of record breaking audiences for this yer's show, the show committee headed by Chester (Chet) A. Hervey, formerly with the Hovey Players has decided to hold performances on three successive evenings in-stead of the customary two evenings in order to accommodate the many new and old friends who desire to see this stellar play

moving action, abounding with wit, fanciful approach and sympathetic understanding promises to be the crowning histrionic achievement in a scintillating array of Central Club successes.

array of Central Club successes.
Central Players Group will provide the cast for "I Like It Here."
The cast comprised of Donald P.
Frail, Alvin S. Whitmore, Russell F. Baker, Chester A. Hervey, Jackie Hervey, Summer
Blanchard, Edna M. White, Walter H. Phillips and Eugenie Beckley has been reheaving the last ley has been rehearsing the last month under the capable direction

tising dentist in Boston for more than 50 years, were held this morning at 11 o'clock in the Waterman Chapel, 495 Commonwealth avenue, Boston.

Dr. Taylor died at his home on Tuesday, April 19. He was in his 34th year and had resided in Newton for more than 36 years. He was born in White's Cove, New Brunswick, attended schools persons are receiving unemploy-ment compensation. President Truman has been asked to do something quickly to save Law-rence from economic hardship. It has been suggested that Federal relief funds be pumped in,

and work-relief projects started.
What happens in Lawrence
bears close watching. If the
woolen industry comes out of its woolen industry comes out of its spin, and production begins roll-ing again soon, the situation will solve itself. If "make work" projects are required to provide employment for those now idle, the procedure could well become the pattern for cushioning other cities through hard times when the industries upon which they depend for jobs abruptly slacken depend for jobs abruptly slacken their pace.—The Biddle Survey

of the guild.

of the guild.

Dessert and coffee will be served promptly at 1 o'clock in the church auditorium with bridge immediately following. Serving on the committee in charge of tickets are Mrs. Elsworth Mundy and Mrs. Frank A. Hernberg. Prize table, Mrs. Edward McCarthy assisted by Mrs. Earl M. Dempsey, Mrs. Thomas Regan, Mrs. James F. O'Neil, Mrs. Theodore Molinari and Mrs. Victor Hubert. Cake table, Mrs. Arthur L. Perry, assisted Mrs. Arthur L. Perry, assisted by Mrs. James Lynch, Mrs. Char-les Jordan, Mrs. Harold Woods and Mrs. Ronald S. Woodberry. Candy, Mrs. Edward C. Michaud. Candy, Mrs. Edward C. Michaud. Refreshments, Mrs. Leo Marchildon and Mrs. J. H. Shaugh-nessy. Social chairman of the oc-casion, Mrs. Eugene G. Lynch, assisted by Mrs. James Murphy.

USS United States, the Navy's supercarrier, will be able to ac-commodate planes weighing well over 100,000 pounds.

FARM LOAM (Like Screened Loam) MANURE — PEAT

WESTON LANDSCAPE CO. WAltham 5-6826-W Eves.

You, the residents of this com munity, are half way through a major operation at your Newton-Wellesley Hospital.

The new wing is on its way up . . . being built with the money raised in the Building Fund Campaign three years ago. If noth ing more were contributed New ton and Wellesley would have a Unusual interest is being dis- beautiful hospital building . . on the outside.

The inside would be little more than an empty shell.

We have gone half-way. We can put up the walls and roof and a portion of the interior. But we can no more stop there than can the doctor who is half way through a surgical operation.

Not long ago a youngster was being wheeled from the children's ward to the operating room at Newton-Wellesley Hospital. Half way en route he turned, sleepy-eyed, to his nurse and asked:

"Are we still in Newton?"
The kid was serious and it was understandable. Facilities for on contemporary "Americana" which was originally produced at the John Golden Theatre, New York in 1936 at which time it was an outstanding success.

This superb play with its fast required and the content of the cont

your Hospital. Main building to children's ward . . . womens ward to the main building. The laboratory technicians waste about two hours a day this way. When the new wing is built

and all patients are in one modern, firesafe building, much of the uneconomical time and energy thus spent will be elimiof Mrs. Richard W. Loud. Her exceptional coaching ability, supplemented by her wealth of dramatic experience, assures top performances by the members of pavilion units, some of which date pavilion units, some of which date back to 1886.

In contrast, the new wing, with its centralization of services, going to bring the physical plant of your Hospital up to date. New, modern laboratories will be grouped together, instead of at various locations in the hospital; a two-story communications sys-tem between patient and nurse will save footsteps; a central oxygen distribution system, whereby oxygen is piped directly to the patient's room, will replace the present slow method of transportpresent slow method of transporting oxygen. Glass-divided walls
in the new children's section will
facilitate supervision from the
nurse's station. Time will be
sawed. Extra steps will be
avoided, and the every-busy hosptal staff will be able to accomplish more in less time—for the Glass-divided plish more in less time-for the

benefit of all patients.

Of course when you get down to fundamentals the thing that really counts is that the new wing

will give your hospital more beds.
When you consider the tragedies that occur almost daily because there aren't enough beds to go around, other phases of the expansion program fade into insignificance by comparison. he surgeon cannot stop half

way through an operation; and we must not stop.

When the solicitor calls, give generously, to "fini

Wednesday, May 4, is the date of the annual Spring Bridge given by the Guild of St. Philip Neri in Waban, as announced by Mrs. Leo E. Concannon, president once."

Wednesday, May 4, is the date generously, to "finish the job." Let's be sure there's a bed at your hospital when the doctor says . . . "To the Hospital at once."

Named-

(Continued from Page 1)

raise \$14,000,000 and actually raised \$16,000,000. Upon completion of the crusade, he became assistant to the president and director of the development pro-gram at the Baptist Missionary Training School in Chicago. His successful completion of a campaign to raise \$250,000 will be celebrated in Chicago on April 26. A native of New Jersey, he

studied law and graduated with the LL.B degree and then en-tered the seminary and earned the degree of master of theology. He was pastor of the Bergan Point Baptist Church, Bayonee, and the Emmanuel Baptist Church of Ridgewood, both in New Jerger (2014)

ment of the International Council of Religious Education. His class in National Music Schools work with Andover-Newton will be in the field of public relations and fund raising.

Following the program is planned. There is to Home for Crippied Children.

The Neighborhood Club of East Milton will meet this afternoon with Mrs. Charles W. Roberts of 70 Waldeck road.

-PROGRAMS-(Continued on Page 2)

Family Night To Be Held Tuesday

Music of yesterday and today, and Early American dancing as "modern as tomorrow" will feature the "Family Night" program set for May 3 at the Newton High School gymnasium by the Community Chorus of the Newtons. Inc. Newtons, Inc.

The evening of "Pops" entertainment will present the Chor-us, directed by Ralph Schoon-maker, in a series of traditional melodies, and in songs from such outstanding musical successes as "The Student Prince,"
"Carousel," and "Oklahoma."
The other highlight of the evening's double bill will be audience participation in Eary American Square Denging under the ican Square Dancing under the direction of the noted teacher and expert "caller," Albert Haynes. Mr. Haynes' Wayside Inn Early American Orchestra will provide music for the danc-

ing. Frank Pickett, Chorus President, has announced that tables will be arranged in the Newton High School gymnasium at which members of the audience may enjoy light refreshments served by a corps of Lasell Jun-ior College girls. The center area of the gymnasium will be left open for the dancing.

A short business meeting, at which the president Mrs. Alban Rosene will preside, will follow the lunchen

in England and Rumania, will tell of her personal experiences in Rumania and will discuss the his-tory, politics, arts and crafts of the country.

Mrs. Otilla Georgescu a native Rumanian and a recent arrival in America, will present conditions there today. Mrs. Georgescu, a graduate of a Rumanian University and a teacher of mathematics there, is well qualified to ably there, is well qualified to ably handle this pertinent subject.

There will be a group of songs by the Glee Club of the Bigelow Junior High/School under the di-rection of Miss Julia E. Hubbard.

Draw Agreement For Policies, Functions

Miss Adelaide B. Ball, Chair-Council Welfare Committee called together representatives of 14 groups in Newton for the purpose of drawing up an agreement satisfactory to each agency's policies and functions for the coordinated earing for and sharing of the responsibili-ty for families involved in dis-asters. Red Cross, nationally, is responsible for disasters involv ing five or more families but for ing five of more families but for fewer than five it is up to the community to pool its resources. Several meetings were held at which policies were discussed and finally this agreement be-tween the available community resources has been drawn up.

Woman's Club

MRS. KEITH C. PARRIS

Keith C. Parris elected president of the Auburndale Woman's Club at the annual meeting and luncheon held Tuesday at the Meadows in Framingham. Other officers elected were Mrs. William Edelected were Mrs. William Edson, first vice-president; Mrs. Thomas Crosby, second vice-president; Mrs. Charles Higgins, corresponding secretary; Mrs. Herbert Haake, recording secretary; Mrs. Robert Bonner, Jr., treasurer; Mrs. William DeWittand Mrs. Richard Walter, directors. Mrs. James Dunlop, Mrs. Albert Holdridge, and Mrs. Irving Kellev were elected to the

Albert Holdridge, and Mrs. Irving Kelley were elected to the Nominating Committee.

Mrs. Edwin Harkins read the annual report for 1948-49, reporting the club had met its quota for subscription to the Memorial Forest Fund, Mrs. Edmund Wilson, Federation chairman. Among the guests was Miss Betty Duncan, the recipient of this year's \$250 scholarship raised by the Education Committee, Mrs. Langdon Chand. Committee, Mrs. Langdon Chand-

The membership voted to change its meeting day from Tuesday to Wednesday during the coming club year.

If the legislature wishes to fining hall their work by July 15 of this year, they will have to meet earlier in the day. An order was presented by Rep Murphy, of Malden that the House meet at 1 o'clock, Monday through Thursday, and at 11 o'clock a.m. on Friday. A unanimous vote was taken. Some of the members showed their disapproval.

Governor Dever submitted a last time with his hat in his hand to seek relief for cities and towns and the was filed by the auditor and budget commissioner of Boston. Bill H 1486 is to boost corporation and personal taxes by over \$125 million in order to divert this money to help the cities and towns. It would increase individual state income by 1½ to 6%.

Governor Dever submitted a bill to the Legislature calling for a total appropriations of over \$3 gains fax, would raise the tax on million. The lawset items of the control of the control

ne legislative committee on Public Service reported favorably on a bill giving the 280 members of the House and Senate an increase in salary of \$1,000. The members are now receiving \$2,750 a year and with this boost it will them a neat sum of \$3,750. President of the Senate and Speaker of the House will get \$6,500. None of the members are objecting. It are objecting. It must be referred to the Ways and Means before it is approved.

U. S. Senator Joseph C. O'Mahoney from Wyoming was introduced in the House of Representatives and spoke briefly to the members.

Memories of the Old Days

By Albert S. Partridge

Just as baseball was the popular sport in Summer, we became interested in football, too. It was being played at Newton High, Brighton when lar sport in Summer, we became interested in football, too. It was being played at Newton High, when we were in Bigelow, and as some of our older brothers were playing on the team, we naturally liked to see them when the inter-school contests took place. The Newton games were played on a field near the corner of Walnut and Watertown streets. There were games at Cambridge against Cambridge Manual Training School and Noble and Greenough, and when we took these in, we went by horse car from Nonantum square. These cars were light affairs and on the return trip after a victorious game, we were, of course, in a jubilant mood, and the cars were full of boys, some standing on each platform. By springing up and down, first the front crowd and then The Newton games were played form. By springing up and down, first the front crowd and then the rear ones, the horse car would soon be rocking, and the first thing we knew, it would jounce off the track. Of course we received the admonition of the driver and conductor, but we had expected nothing less. When we reached the foot of Galen street hill, an extra horse was hitched on, to help pull the car up the hill. This was the regular routine with every Newton-bound car. There were no stadiums then nor bands with glamarous drum love of football has stayed with some of us through all the years, and every game at Dickinson Field has found us there cheering, and temporarily feeling as young as the bobby soxers who surround us. And it wasn't but a few years ago that three of us attended a game there during a bad rain storm, but as we were thoroughly protected from the would be surprised if I could not the process of the thoroughly protected from the elements, our loyal football spirit

Those yards have always been there, in my memory, and have been the scene of many fires in the sheds at various times, which were always visible from Newton. As I lived on Richardson

bands with glamarous drum ter, for prizes were awarded. Giant cannon crackers were excher leaders. There may have been small wooden stands seating put under the cans would shoot some of the spectators, but we boys, and some of the girls, stood brothers had an iron cannon on the cans which the spectators was a some of the girls, stood brothers had an iron cannon on the cans which the special three should be sent to the special terms and the store that the special three should be sent to the special terms and the special terms are sent to the on the side-lines and moved in one direction or the other, as we kept aline of the players. This serted, powder was poured into love of football has stayed with non kicked itself over in the explosion. I have not seen that identical cannon of late, but I would be surprised if I could not

locate it among the attic treas-ures! The older boys had "horse pistols", relics of Civil War days, which had to be loaded each time with powder, wadding, and a cap for percussion. When we boys were allowed to fire them off we had to hold them with both hands to withstand the back kick. As years passed we used revolvers with blank cartridges to make oise, but that custom, I am thankful to say, did not survive

many years.
The land between Washington and Tremont streets was once a low marshy area both to the west and east of Wayerly avenue. Ex-cept for a few houses on Washington and Park streets, there mgton and Park streets, there was only one building on this long, narrow stretch below street level and extending to the Bright on line. That one building was a tenement block which stood on the westerly side of Waverly avenue about half way between

avenue about half way between Tremont and Washington streets. This marshy land was known as "Snake Hollow". I never saw any snakes there, but I have a vivid recollection of picking wonderful violets, large and fragrant, and other wild flowers that grew in abundance. At the time Waverly aronne was widened between avenue was widened between Tremont and Washington streets. say about 1886, that tenement house was moved into Brighton and is still housing families. It and is still nousing families. It is on the southerly side of Tremont street about half way between the Newton-Brighton line and Oak square. The end of the building faces on the street and

As to social evenings with the young ladies, most of these good times were home affairs, the group gathering at dierent girls' homes. We made merry with parlor games and song-fests and had delightful times. Once in a blue moon we went to the theater in Boston, but there were no such things as movies. We did enjoy dancing and were invited to assemblies or subscription dances semblies or subscription dances in the Newtons as well as Cam-bridge and other suburbs. What an easy time it is today for a fellow to step into a car at his door. low to step into a car at his door, pick up his girl, no matter where she lives, and then go dancing at some far-away spot. After the dance is over they speed home (maybe) in comfort, whether Summer or Winter. After being accustomed to such luxury, how many young folks today would even consider the procedure we even consider the procedure we were obliged to follow in the old days? I remember when a group of us were invited to a dance at the Womens' Club in Dorchester. Each fellow called for his girl, and then all took the trailer at and then all took the trolley a designated spot. From this surface car we transferred in

NOTICE OF MEETING OF THE

Auburndale Village Improvement Society

to be held at the Auburndale Club Wednesday, May 4 8 P.M.

There is not much time left before the decision is made whether Auburndale and Newton remain the Garden City of which we have talked so many years. This meeting is for the purpose of discussing the proposed expansion of the commercial amusement center in Norumbega Park, and specifically the zoning petition scheduled for a hearing at the Newton City Hall on May 9.

Everyone interested is urged to attend the meeting at the Auburndale Club, Wednesday night, May 4.

Spring Rummage Sale

RANDOM CLIPPINGS . . . In New York City, Morton
Krouse brought suit to recover 46 pennies he had droppedin subway vending machines since September 28 with the subway vending machines since September 28 w To Be Held Thursday

The annual Spring Rummage
Sale, under the auspices of the Centre Building Association, Inc., will be held Tuesday, May 3, from 9:30 am to 6 pm. in the form of the substance of the control of the pm. in the from 9:30 a.m. to 6 p.m. in the basement of the Davis School, puzzling over a report that someone had broke into the Rubio 492 Waltham street, West Newton. Mrs. George C. Sweeney is chairman and Mrs. Louis Vachon, Ir., is assistant chairman. They will be assisted by Mrs. William P. Helms, president of the West Kewton Community Centre and by members of the Board of Directors.

Clothing for the entire family

Number of the Rubio Savings Bank in that community and made off with two fountain pens . . . When D. M. Strickland of Atlanta, Ga., became so jittery that he could not identify two gunmen who held him up, police reversed the usual procedure, placed by members of the Board of Directors.

Australia, Reginald Cakebreak, a rodeo rider, tried out his niece's rocking horse, fell and broke his collar bone . . . Fort Clothing for the entire family Clothing for the entire family Worth, Tex., is buzzing over something new in accident will be on sale as well as furniclaims. The State Accident Board awarded Norman L. Claims. The State Accident Board awarded Norman L. Daugherty compensation for injuries suffered when a Yankee punched him in the eye for whistling "Dixie." But the insurance company appealed the decision on the ground that it was not an accident but a continuation of the War between the States . . . Believing she was using water from the rain barrel, Mrs. Laura Brandt bathed her children, washed the dishes, took a bath and discovered when she was brushing her teeth that she had used her husband's crop of maple syrup. That's a good advertisement for our New England syrup. That's a good advertisement for our New England brand of maple syrup. Ohio's product certainly must be on the watery side...Police in Horsham, England, were getting nowhere in their attempts to solve a burglar case until they assigned extra men to help Police Sergeant William J. Wykes with the investigation. The case was cleared up when the new men arrested Wykes as the guilty person . . .

Poppy Sale May 19, 20, 21

Thomas E. Flanagan, chair-man of the Sgt. Eugene Daley Post, V.F.W. Poppy Sale for this year, announces that these poppies will be sold on the streets of Newton, by members of the Post and its Auxiliary, on May 19, 20 and 21.

Assisting Chairman Flanagan on the committee are David Keefe, P.C.; Daniel McCarthy, junior vice commander-elect; Rosario Guzzi, O.D.; Mrs. Marguerite Mullen, president of the Auxiliary, and Mrs. Ethel Colburn, president-elect of the Auxiliary. These poppies are made throughout the year by disabled veterans in the various Government hospitals and the proceeds from this sale are entirely used for welfare of members, their widows and ornhans.

widows and orphans.

down by the old mill stream . . .

WATER POWER TURNS ELECTRIC GENERATORS

The streams that turned New England's grist mills in Colonial days are now busy turning electric generators.

And since New England's water power has been developed intensively for a couple of hundred years it is only to be expected that the best sources have long ago been put to work. That is one reason why our new electric plants are of necessity mostly steam operated. Another reason of vital importance is the year 'round reliability of steam-power generation.

New England's 178 electric utility plants depending on falling water for their motive power supply about one-quarter of our electricity. Our 73 steam plants are responsible for the other three-quarters.
